

Above: Walls through the house are painted in full-, half- and quarter-strength variations of Resene Drought and Resene Merino, selected from the Resene The Range Whites & Neutrals fandeck. This fandeck complements The Range fashion fandeck, which features more than 150 shades.

Right: Neutral coloured walls complement this home's simple architectural style.

Light, neutral wall shades create a simple background for the timber detailing that is featured throughout this home. Colours were selected from the Resene The Range Whites & Neutrals fandeck.

The interior walls are painted with Resene Zylone Sheen, a fast-drying, low-odour paint well-suited to broadwall surfaces that provides a durable, easily wiped surface. Applied over Resene Broadwall Surface Prep, it gives a smooth finish.

For more information, visit a Resene ColorShop or phone 0800 RESENE (737 363). Or you can visit the Resene website: www.resene.co.nz.
