

20 OUT OF 24
NEW
BUILDINGS
IN LOWER HUTT
ARE
PAINTED WITH
RESENE

Resene is easy to apply,
will not harm the most expensive
brushes, has no smell and is
dry within half an hour.

Resene was specified and used on these

major jobs in Lower Hutt:
Transport Centre; New Wing Hutt Valley
High School; Horticultural Hall; Police Station;
Telephone Exchange; Town Hall and Council
Administrative Block; "Hutt News"
Building; St. James Church; Little Theatre;
N.I.M.U. Building; New C.M.L. Building;
Magistrates Court; Stamford House;
Hutt Valley Electric Power Board;
Ambulance Station; "Evening Post" Building;
Naenae Olympic Pool; R.S.A. Building;
Hutt Valley Fire Station.

Resene selected for beauty and durability.
