

Go white

Create a whitewashed style effect on interior timber walls and floors quickly and easily with Resene Colorwood Whitewash.

Environmental Choice approved, **Resene Colorwood Whitewash** is low odour and low in VOC compared to solventborne interior stains and polyurethanes. It's easy to apply and suitable for use by professional decorators or home decorators.

Use it for everything from a minimalist Scandinavian effect on flooring through to refurbishing old interior clear finished timber.

Resene Colorwood is also available in a range of other colours from traditional timber colours to brights. You can also get it tinted to your favourite Resene Exterior Woodcare colour so that you can have a consistent colour palette inside and outside your project.

See Data Sheet D50W for more information on **Resene Colorwood Whitewash** and Data Sheet D50a for more information on **Resene Colorwood**.

The Resene Colorwood range is available only from Resene.

Bring out the best in your timber flooring

Keep your timber flooring looking good with Resene Qristal ClearFloor waterborne urethane clear, a tough durable finish formulated especially for floors. Available in a desirable satin finish, Resene Qristal ClearFloor can be applied by homeowners through to professional tradespeople.

Resene Qristal ClearFloor 1K is available in a single pack designed for general flooring use with low to medium foot traffic. Or choose Resene Qristal ClearFloor 2K, a harder wearing waterborne option for high abrasion areas.

Enjoy lower odour and VOCs than traditional solventborne flooring clears. The 1K version has just 38 grams VOC per litre and the 2K version just 95 grams VOC per litre.

Resene Qristal ClearFloor is available from Resene. For more technical information see Data Sheet D506 and D506A.
