

IGI Quality Mark Certificate

This is to certify that *Pacific Wallcoverings Limited* – 4-10 Mohuia Crescent - 5240 Porirua - New Zealand

Has by virtue of tests approved by IGI and carried out by the Wilhelm-Klauditz Institut (WKI) – Materialanalytik und Innenluftchemie in Braunschweig, Germany, become qualified and entitled to use the IGI Quality Logo:

On Wallcoverings products of that company in the following qualifications:

- Non-woven Backed solid vinyl
- Non-woven Backed blown vinyl
- Solid Vinyl paper backed

This certificate also records the existence of the company's own statement to IGI that its products are manufactured according to EN standard: EN 233:1989.

The said company therefore has become a full member of the IGI Quality Scheme, having also covenanted to keep its records up to date, and to inform IGI of any relevant changes to its production standards and product ranges.

Certified by:

A handwritten signature in black ink, appearing to read 'G. de Limelette'.

Géraldine de Limelette
Secretary General

Date: 3 March 2011
