**RICH RED GIVES
A WARM, COSY FEEL**

Swapping dull green for the warm red of Resene 'Old Brick' has enhanced Sally Thompson's enjoyment of her lounge immeasurably. "When the sunlight makes the walls glow, the room feels warm and inviting," says the Christchurch homeowner. Her bedroom, painted in Resene 'Cut Glass', has the opposite effect. "It is stunningly calm and reminiscent of gorgeous beach days," says Sally. The porch walls are painted in Resene 'Half Pearl Lustre', with Resene 'La Bamba' and Resene 'Cut Glass' on the shelves to match the stripy chair fabric.

The cool blue of Resene 'Cut Glass' in the bedroom is calm and restful.

RICH COLOUR

+ TIP Today's living rooms are often open spaces that link to other areas. Knowing where to start and finish the colour scheme in an open-plan space can be hard. Try painting a feature area between two spaces. Or paint one colour in the open plan area then, with accents, repeat that colour in different parts of the house.
+ TIP Provide visual interest by combining low sheen with semigloss by using a finish such as Resene 'SpaceCote Low Sheen' or Resene 'Zylone Sheen' on walls and a semi gloss waterborne enamel such as Resene Lustacryl on trims.

With Resene 'Half Pearl Lustre' on the porch walls, Sally has used Resene 'La Bamba' and Resene 'Cut Glass' on the shelves to match the chair fabric.
