Endless hot water is right on tap
with a Rockgas Homepack
LP Gas installation.

Along with those continuous hot
showers, you can also take
advantage of highly efficient
home heating options and
maximum control when you're
cooking with gas.

A Rockgas Homepack gets LP Gas
to your home, no matter where
you live.

Excellent value and total reliability
are also part of the package.

Rockgas. It will rock your world!

Visit rockgas.co.nz
or call **0800 ROCKGAS** to
obtain an information
pack on the convenience
and savings of LP Gas
water heating solutions.
