Application

- Mix one part Resene Paint Prep and Housewash to three parts water.
- Wear adequate protection. Use overalls, gloves, eye protection and suitable footwear.
- Scrub vigorously using a nylon bristle broom or short, hard bristle scrubbing brush to remove all dirt, grease, mould and any loose flaking paint. Rinse with clean water.

- Mild steel and aluminium are attacked by Resene Paint Prep and Housewash and are unsuitable materials for either storage or application equipment.
- Do not allow the product to come into contact with plants, stormwater outlets, streams or animals. May kill aquatic life if allowed to enter the stormwater system. Divert all roof run-off to a sewer or alternative catchment system.
