## PART A

CLEAR

Write on your walls with whiteboard markers without damaging the surface with Resene FX Write-on Wall Paint. Resene FX Write-on Wall Paint is a two component waterborne clear coating designed to produce a whiteboard effect over previously painted or sealed substrates. Use only with high quality whiteboard markers using a whiteboard eraser or soft cloth to clean. Over a darker paint finish use high quality liquid chalk.

#### Instructions for use:

Refer to Resene FX Write-on Wall Paint application and use instructions for instructions on preparation, mixing, application and use.

Permanent markers will not rub off the coating using rags or whiteboard erasers but they will not damage the coating. Use methylated spirits or other cleaning fluids to remove permanent markers. Occasional use of methylated spirits for cleaning will not damage the coating.

#### Be PaintWise:

For tips on responsible disposal of paint, cleaning equipment and minimising the impact of your decorating on the environment see the Resene website. Do not discharge any paint into the environment. Resene PaintWise (NZ) or paintback.com.au (Australia) accepts residual unwanted paint and packaging. Or contact your Local Authority for disposal information.

Please ensure that use of this product is compatible with the substrate and surface preparation method. Resene does not accept any responsibility for the application of incorrect product to substrate or the application of incorrect colours. Resene products are designed to be used as a system for optimal results. Substitution may cause substandard results or system failure. For further painting advice and information, call 1800 738 383 (AUST), 0800 737 363 (NZ) or visit the Resene website.

Enjoy the Resene Promise of quality on premium paints. See your Resene ColorShop or the Resene website for a copy.

In every case it is recommended that the appropriate Data Sheet and Safety Data Sheet are consulted prior to application.
